Names of referees who worked on papers submitted between July 2016 and September 2017

The editorial board of *Radioprotection*, the journal of the French radiation protection society, wishes to warmly thank all the reviewers listed below who accepted to review the manuscripts published during this year. Peer review is an essential part of the process of academic publication and contributes to the quality improvement of our journal which could not exist without the commitment of our reviewers.

Michel Bourguignon, editor in chief, *Radioprotection*
